Address: 1 chome, Kaigan-dori, Naka-ku, Yokohama, Kanagawa Prefecture 231-0002, Japan
<http://www.zounohana.com/>

- Please select your preferred exhibition area.
- The work must stand on its own or with weights.
- *The work must not be installed on existing facilities such as fence, posts or lights, mounted/ fixed on the wall of system panel within the booth, or set up the foundation or anchor on the paved surface or ground.
- The work must not deface or damage the facility. If any damages are caused, the exhibitor will be responsible for the timely restoration to the original state.
- If the work makes any sound, it must not disturb the works of others. Further, the volume must be at a level where it will not be heard outside the tent/park.
- The installation location will be determined after discussion with the organizer. Exhibitors may be asked to change the plan due to security reasons, laws, or other circumstances such as facility management.
- The event host will assume no responsibility for any accident or damage caused to the work during the exhibition.
- The competition is open to all nationalities and ages.
